CAMPING IN IOWA (1968)

This Directory was prepared by the Iowa Development Commission with the cooperation of the State Conservation Commission, Iowa Highway Commission, County Conservation Boards, Municipalities, U.S. Corps of Engineers, Private Campground owners and operators, Iowa Mobile Home Assn. and the following camping directory publishers: Woodall, Campgrounds Unlimited, Camping Maps U.S.A., Barcam Publishing, Campground Atlas, Trailer Life, Mobile Homes Manufacturers Assn.

This Directory is intended to assist the general camping public and contains listings of both PUBLIC and PRIVATE facilities known to exist as a result of survey questionnaires. The listings do not constitute an endorsement by the Iowa Development Commission. Discrepancies are regretted and any corrections should be directed to the Tourism and Travel Division, Iowa Development Commission, 250 Jewett Building, Des Moines, Iowa, 50309.

INFORMATION ABOUT THIS DIRECTORY

(This directory is used in the same general manner as any other camping directory.)

Definitions of some of the symbols and categories used.....

Mobile Home Parks usually will accommodate overnight guests if space is available.

Some do not provide spaces for tents. This, if known, is indicated by "O" under "Tent Spaces" in the listings.

Camping is not permitted in highway rest areas. Camping in State Parks and Preserves is permitted only in the areas designated. Most individual spaces are unassigned -- first come, first served -- although specific areas of a park are usually indicated.

Playground equipment may be available in municipal and private campgrounds.

Observe all rules and regulations as well as good camping etiquette. This will make your stay more safe and pleasant. Please don't be a litterbug -- either in the campgrounds or upon the highways. Use the trash receptacles provided or a litterbag. Take nothing but pictures, leave nothing but footprints.

Speed Limits for autos pulling trailers:

Under 28 feet and under 4,500 pounds = 55 MPH maximum.

Over 28 feet and over 4,500 pounds = 40 MPH maximum.

We hope you enjoy your visit and drive carefully so that you can return -- SOON.
